VIDEO PLUGINS

INTERACTIVE TRANSCRIPT

Makes your video searchable, more engaging, and **SEO-friendly**. Works out of the box with most video players.

AUDIO DESCRIPTION PLUGIN

Add **audio description** to video players and platforms that otherwise don't support it.

YOUTUBE ONE LINE EMBED

Make YouTube videos **searchable** and **interactive** with one click!

LMS PLUGIN EMBED

Add videos with **captions**, **interactive transcripts**, and **audio description** to **LMS systems** like Canvas, Blackboard, and Moodle.

SEO EMBED

Automatically **boost the SEO** of your video by utilizing linked data to drive traffic to your site.

PLAYLIST SEARCH

Lets users **search** across your entire video library and **jump to an exact point** in a video.
